When you see the word "wanted," don't you instinctively read the next few words to see what is wanted? So do thousands of others. That is one reason why many thousand readers that an ad is certain to be read

Every one is constantly on the lookout for something to buy. Very few persons are absolutely "broke," and all spend money at some time. Somebody wants what you have for sale now. You can reach that "somebody" if you will advertise what you have to sell on this page. by some persons who are interested in your wants, \_\_\_\_\_ this page.....
